

Welcome Home to the Properties at

# WENTWORTH

Carefully chosen for their expansive, deep lots against a lush greenbelt, the properties at Wentworth are favoured by discerning buyers looking for an extraordinary new home and equally beautiful neighbourhood. Nestled in the hills overlooking the Bedford Basin, Wentworth homes that are built by **WCH Builders** are built in the authentic Arts and Crafts movement of design, which encourages originality, simplicity of form, the use of natural materials, and the visibility of artistic craftsmanship. The result is a harmonious collection of truly unique and distinct homes, simple in elegance, and integrated with nature. With generous yards, sublime landscaping and natural finishing materials on drive and walkways, the properties at Wentworth are a pleasant sanctuary for those looking for a premium home site that is *Simply Superb.*

Directions from the  
Bicentennial Highway:  
Take Highway 102 to  
Larry Uteck Boulevard,  
turn right on Starboard Drive,  
turn right on Fleetview Drive.

*Building Your Dream in To Reality.*

Homes built by **WCH Builders** are dedicated to EnerGuide energy efficient designs that blend contemporary craftsmen details with a modern flare. The tapered craftsmen pillars adorn the front veranda entrance. The main floor is designed with an open contemporary flow throughout with propane fireplace as a focal point for gatherings. The kitchen includes an island and tiled backsplash and a pantry for lots of storage. The upper level includes a master bedroom with walk-in closet and a spa like ensuite with custom tiled shower. Additional 3 bedrooms and 4 piece bath with upstairs laundry facility complete this level. The lower level is complete and includes a 5<sup>th</sup> bedroom, additional bathroom and rec room. All homes are landscaped complete with concrete driveway.

Nestled in a Beautiful Neighbourhood overlooking the Bedford Basin.
